

HUMBERSIDE DARTS ORGANISATION SUPER LEAGUE RULES SEASON 2020-21

1. Super League games will be played between teams consisting of:

Mens Divisions - 7 players, each game to be best of 7 legs

Ladies Division - 5 players, each game to be best of 5 legs

With the minimum amount of players to play a valid game being 4 men or 3 ladies The order of play shall be determined by the drawing of names. Once the draw has been completed it cannot be changed so if a player refuses to play another teams player for whatever reason then the player refusing to play will forfeit that game (4-0 mens, 3-0 Ladies) and the point will be awarded to the player who is not refusing to play, however no averages will be given for the match. If this occurs the Super League secretary MUST be informed of the incident.

If a team is unable to field the full amount of players the match will still be contested to the maximum number of games available with the team without the full amount of players forfeiting the points for the sets not able to played.

2. All games to be played with a raised oche at the throw and on the UKDA approved board.
3. Players must be registered before playing, players can be signed on the day with the Secretary being informed by text prior to the match and the opposing team being informed on the day of the match. Registration forms and fees in these instances must be submitted to the secretary by the Friday following the date of the match.
4. The playing of an unregistered player will result in the loss of the point should that player win plus the loss of a further point to the team.
5. Scoring will be done via Darts for Windows with the results file being submitted in accordance with UKDA Regulations (details to be confirmed)
6. Teams who wish to cancel a fixture must inform the Super League Secretary via email no later than the 7 days before the fixture is due to be played unless it is an emergency.
